Nikhil Kumar, Head of Developer Ecosystem, India Stack

Mr. Nikhil Kumar, Head of Developer Ecosystem, India Stack and his team has built a **BHIM app** in just 3 weeks. He completed his engineering during the academic year 2007-2011, in the **Department of Instrumentation Technology, Siddaganga Institute of Technology, Tumakuru, Karnataka.**

"BHIM is built on a technology called the Unified Payment Interface (UPI) It is IMPS on steroids as it allows any bank to acquire any bank's customers and allows to send money from any app. UPI allows customers to make payments through a single identifier like the Aadhaar number or virtual address.

Head of the department, Faculty and staff members of Electronics and Instrumentation Engineering would like to congratulate Mr. Nikhil Kumar for his success in developing BHIM app.
