

IN INTERNATIONAL/ NATIONAL CONFERENCES

Anil K C, “Effect of Mold Material on Boundary Heat Flux Variation and Thermal Field of the Mold during Gravity Die-Casting”, presented in International Conference of advanced materials, Manufacturing, management and Thermal sciences held on 3rd & 4th May 2013 at Siddaganga Institute of Technology, Tumkur (Karnataka).

Anil K C, “Application of a Mathematical Model for Estimating Surface Heat Flux”, Presented in National Conference of Recent trends in advanced mathematics, held on 7th & 8th June 2013 at Siddaganga Institute of Technology, Tumkur (Karnataka).
